

BRC Child Care Guidelines

The following list of guidelines has been compiled to provide a safe, healthy and fun social environment for your child. We offer our Child Care as a service to patrons who need supervision for their children while using the Brighton Recreation Center.

1. Care for children ages 6 months through 7 years.
2. Parents must REMAIN in the recreation center while their children are at Child Care.
3. Due to the popularity your child may stay in Child Care for a maximum time limit of 90 minutes.
4. Punch passes must be purchased at the front desk and a staff member will punch the correct amount of time off of your card at the end the visit.
5. Be sure to fill out the SIGN IN SHEET thoroughly upon arrival. This will allow us to locate you quickly in the event of an emergency. Be specific in describing your location in the building.
6. If someone other than the person dropping the child off will be picking up the child, please inform a staff member.
7. Please let staff know of any allergies or health concerns.
8. Child Care Staff CAN NOT give any form of medication
9. It is your responsibility to provide any snacks. We highly recommend bringing something every time you attend. Vending machines are available in the hallway if needed.
10. Child Care staff are not allowed to change diapers. If a diaper change is necessary during your child's stay we will page you to the childcare room.
11. Shoes must be worn at all times.
12. Please label all personal items with your child's name.
13. Toys from home are not our responsibility and will be confiscated if found dangerous or problematic. Staff is not responsible for lost or broken personal items.
14. Please keep your sick child home so they can rest and other children are not affected. DO NOT bring your child if they have experienced any of the following in the last 24 hours: fever, vomiting, diarrhea, colored discharge or croupy cough.
15. To provide a positive experience for all children, you will be paged/notified if your child cries for more than 10 minutes and we are unable to comfort them. If you are able to calm your child, he/she may return while you resume your activity.
16. Children are not to push, call each other derogatory names or display non-cooperating action. The discipline procedures are as follows:
 - Verbal warning with explanation given to the child.
 - Re-direction to another area and activity
 - Possible meeting between parents and staff member
17. Aggressive behavior is NOT tolerated and will result in immediate dismissal or suspension form the program.

Child Care staff members appreciate hearing from you and are happy to discuss any questions or concerns.
