

24th ANNUAL FESTIVAL OF

SATURDAY, DECEMBER 14, 2019

Greetings!

I hope that 2019 has been a great year for you thus far! School has begun and fall is approaching! This time of year, the City of Brighton Special Events office is already coordinating the Festival of Lights. It's my pleasure to invite to you to become a part of this year's event, whether it's your first year, or you're a returning supporter!

This year we'll be celebrating the ***24th Annual Festival of Lights Parade and Winter Festival!*** This highly anticipated event will feature activities throughout the day for all ages, as well as a holiday themed evening parade through downtown Brighton and surrounding areas. In an effort to honor the city's mission statement and enhance the quality of life for the community, this event is *free* and open to the public.

While the city hosts the event, it would be impossible without help from our partners. I encourage you to consider becoming a sponsor of the 2019 Festival of Lights event. Sponsoring the Festival of Lights is a unique and efficient way to advertise, gain exposure, make contacts and build positive relationships with the Brighton community. We offer a variety of sponsorship levels that provide you an opportunity to showcase your organization and benefit from exclusive exposure through the City of Brighton website and social media, KBRI TV Channel 8 and other local media. Press releases, flyers, posters and other tools are also included in this exclusive exposure, depending upon the commitment level.

The following pages will explain the various sponsorship levels and allow you to make your commitment to the Festival of Lights and the Brighton community by becoming a sponsor. Both monetary and in-kind contributions are encouraged and accepted. If you have particular suggestions or ideas, please contact Amy Porter, Special Events Lead, at 303.655.2126 or aporter@brightonco.gov. All commitments must be made by **October 4.**

I hope we can work together to make it a great holiday event for the Brighton community!

Sincerely,

Amy Porter
